

## NEW EMBLETTA® GOLD™ ACCESSORIES – NOW AVAILABLE!

Embla is proud to announce two new accessories for the Embletta Gold to help protect your investment – the *Embletta Gold Silicone Sleeve* and *Protective Film*.

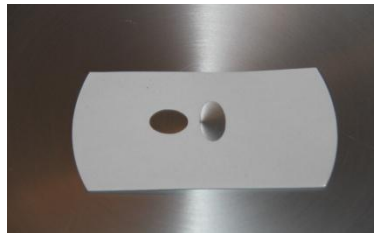

### Embletta Gold Silicone Sleeve

This durable sleeve fits around the Embletta Gold to help protect it from wear and tear like scratches or dents. It also helps minimize damage if the Embletta Gold is dropped. The sleeve can also be used to help improve hygiene and can be easily removed and cleaned.

### Embletta Gold Protective Film

The Embletta Gold protective film comes in a package of five. The adhesive films are disposable, although each film can last for multiple studies. This film will help protect the front of the device from scratches, dents, and other wear and tear. It also improves hygiene and is very easy to remove and apply.
